

Road Warrior Laptop Bag Packing List

by Roger Dooley | [@rogerdooley](https://twitter.com/rogerdooley) | rogerdooley.com

This list is no doubt idiosyncratic. You may have different needs, but I hope it provides a starting point. My own travel gear needs are driven by a couple of objectives:

1. Make flying as comfortable, productive, and stress free as possible.
2. Show up at a speaking venue able to overcome any equipment problem they have other than failure of the main projection/sound system.
